

CASSIE HOFFMAN – MiTEC PROGRAM ASSISTANT

Cassie Hoffman is a Program Assistant for the Michigan Training & Education Center (MiTEC). Cassie comes to MiTEC with a background in administration, sales and recruitment. She recently earned her BS in Business Administration from Ferris State University. She previously worked as a Program Assistant where she conducted research about workplace diversity within utility and communication industries. With this research she assisted in creating The Diversity Toolkit in partnership with the National Utilities Diversity Council (NUDC).
